## The future of 3D BODY Technology is here.

3D BODY  
Scanning

3D BODY  
Measurement

3D BODY  
Processing

3D BODY  
Applications

3D BODY  
Visualization

3D BODY  
Printing

### 3DBODY.TECH 2018

### 9th International Conference and Exhibition on 3D Body Scanning and Processing Technologies Lugano, Switzerland, 16-17 October 2018

The 3DBODY.TECH Conference & Expo aims to fulfill the demand for an international event focused on 3D human body scanning, measurement and processing technologies, methods and applications. This event is the world leading technical platform dedicated to these specific fields and serves as a platform for the information on the latest developments and interesting applications in various sectors, as well as, for building relationships and exchanging ideas between manufacturers, users, developers and researchers from around the world.

Lugano Convention Center

Lugano is situated just 80 km north of Milan, in Ticino, an alpine canton in the South of Switzerland. This quiet, compact city of spacious parks lies on the shores of beautiful Lake Lugano, in an unspoilt landscape of lush hills and wild, remote valleys. Lugano is extremely easy to reach by public or private transportation; it is situated 70 km from Milan Malpensa airport (MXP) connected with convenient shuttle services and 200 km from Zurich airport (ZRH) with connections by rail. Lugano is within driving distance from major destinations, as Como, Milan, Lucerne, Zurich, Basel, Venice, Geneva, Florence, Munich, Stuttgart, Frankfurt, Rome.
